### **Awards**

Students who successfully complete the course will be awarded a BA (Hons) Business Management Professional. Students who leave the course after successfully completing level 4 can be awarded the CertHE Business Management Professional, and those successfully completing levels 4 and 5 can be awarded a DipHE Business Management Professional. These awards will require the successful completion of all mandatory modules at levels 4 and 5 respectively.

To achieve the Chartered Manager Degree Apprenticeship, students will be expected to pass the End Point Assessment after the successful completion of their degree. This will be by arrangement with the Chartered Management Institute and include submission of a portfolio, a presentation and an interview. Details of how to complete the EPA will be provided to students by the end of their course, and is expected to take place within one year of completion of the BA (Hons) Business Management Professional [degree apprenticeship] programme.

### **Course Delivery**

The course will be delivered over one day and evening, located at Lowestoft Sixth Form; students should expect a minimum of 6 hours contact per week throughout the academic year plus periodic visits to their workplace by a member of the Apprentices team.

Contact hours will be a mixture of lecture, seminar, presentations and practical activity, plus discussion groups with peers and tutors. Students will be expected to contribute 20 hours of independent study in an average week, but be prepared for this to vary, depending on assignment deadlines and requirements of class activity.
